

LA TROUPE DE L'ATÉLIER PRESENTS:

C'ÉTAIT MIEUX AVANT

A theatre play written by Marlyse Dupont that will make you think about the consequences of our irresponsible way of living.

23 APRIL 2021 | 9:10 4 ESO - 10:10 3 ESO | SALESIANS BADALONA

We are the new generation. We have the power to change what we don't like, but it is obvious that individually we can't achieve anything. We need everyone to get involved and to want to do their best for their sons, daughters, grandsons, granddaughters... even for themselves.

Think about how lucky we are, we live on a wonderful planet, don't you think it is worth to save it?

"We do not inherit the Earth from our parents, we borrow it from our children"
Antoine de Saint-Exupéry

A theatre play presented by La Troupe de l'Atelier: *Carla Buza, Mar Buza, Nil Calahorro, Iker Fos, Arnau Frias, Nora Millán, Dani Morcillo, Clàudia Moya, Maria Pérez, Maria Ramírez, Gisela Rodriguez, Pau Rodriguez*
